*Standard agreements generally call for bi-weekly services in the off season, refer to the maintenance services summary for exact frequency

**Weekly Maintenance Services include: Litter removal, Mowing, Curb Edging (bi-weekly), Trimming obstacles, blowing of maintenance debris and bed weeding and debris

***Irrigation Service is not always included in standard grounds maintenance contracts but is strongly recommended for maintaining a healthy landscape

Note: This calendar is a general guideline for the services we do over the course of the year. Weather and climate may affect when some of these services are performed.
